

CENTRAL STATES

POLLED SHORTHORN

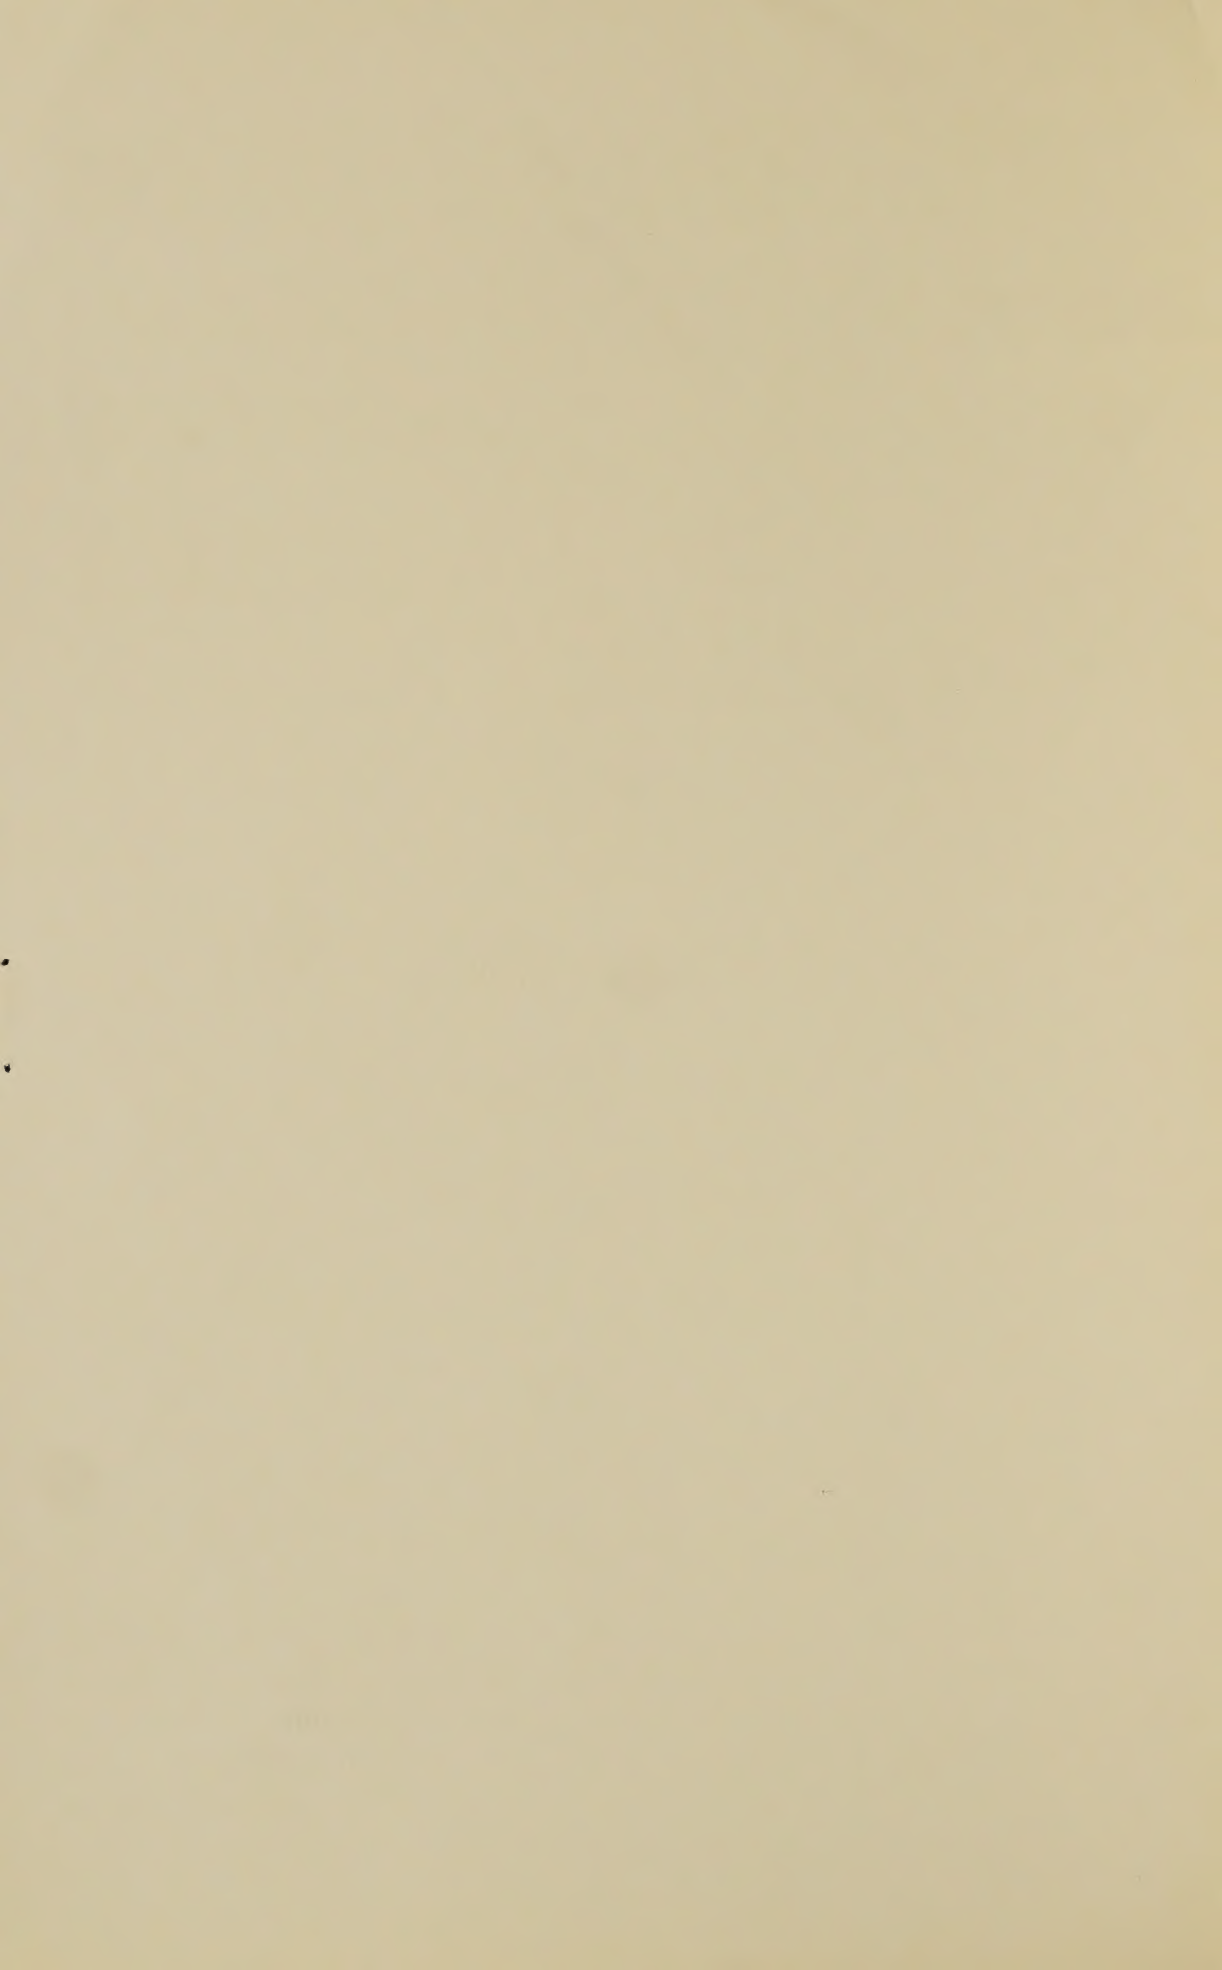

and SHORTHORN

SALE

SEPT. 29

OSKALOOSA, IOWA

(SOUTHERN IOWA FAIRGROUNDS)

A Shorthorn or Polled Shorthorn cow herd is always a good investment. Shorthorn cows have healthier, huskier calves that gain quickly. How would you like to have a nice set of red calves like these on your farm?

THE CENTRAL STATES SALE
"Sale of the Money Makers"
Oskaloosa, Iowa

SATURDAY, SEPTEMBER 29

20 BULLS

25 FEMALES

20 CLUB STEER and HEIFER CALVES

5 COMMERCIAL FEMALES

There is a reason why this sale has become known as "The Sale Of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

Look good, don't they? These heifers are typical of the kind produced in O. L. Seitsinger & Son herd, Rose Hill, Iowa, consignors of one bull and two heifers to this sale.

GENERAL INFORMATION

TIME — Sale will be held Saturday, September 29. Club calves will start the sale at 12:30 p.m.

LOCATION — Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

TERMS — Terms of this sale are cash unless other arrangements have been made with consignor from which you purchase and the sale manager is notified.

GUARANTEE — All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers, accept any liability for injuries that may occur. All persons attend this sale at their own risk.

LUNCH — Lunch will be served on the grounds.

AUCTIONEERS — Tom Sherlock, Harvey Neiderhisar, and Adrain Meierotto.

SALE MANAGER — Bill Stunkel, The Shorthorn World, 16 South Locust Street, Aurora, Ill.

REGISTRATION CERTIFICATE — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each calf sold beside its dam and for each unborn calf sold in dam.

Shorthorn steers have scored impressive victories in 1961 and 1962. Shown here is Carole Minish, Clio, Iowa, with her 1961 Iowa State Fair Grand Champion steer over all breeds. This 830 - pound Shorthorn sold for a record \$2.25 a pound.

CLUB CALVES . . .

We have promises for nearly 20 steer and heifer calves suitable for 4-H and FFA work. We are hopeful that a few more will be nominated before sale day. These calves are being consigned by reputation herds and are sired by reputation bulls. Calves from these herds have won championships at local and district steer and heifer shows.

Until further notice, the owner of any Shorthorn or Polled Shorthorn club steer or club heifer purchased in a Central States sale which wins a breed championship in any 4-H or FFA show will, upon notification of association secretary Merne Anderson, Victor, receive \$10 from the Central States Ass'n.

COMMERCIAL FEMALES . . .

Braywood Farms are consigning four commercial females. Ideal for the man interested in expanding his commercial operation.

On Friday evening, September 28, at 6:30 p.m., breeders will meet at Molly's Cafe (the former Sale Inn) located in the northwest part of Oskaloosa near the Lisk Sale Barn. Join us for supper and the business meeting.

You can improve your farm profits with a good beef herd . . . especially if they are Polled Shorthorns like these Midwestern beauties.

APSI CAPABLE 4th X — A good-doing, rugged bull. Should be a dehorner and sire fast gaining calves. Calfhood vaccinated for Bang's and Lepto.

LOOK AT THESE RANCH RESULTS

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess — he weighed the calves.

THE BOX SCORE

Sire	No. Calves	Avg. Weaning Weight	Total Pounds
Shorthorn	47	330 lbs.	15,510
Polled Shorthorn	34	306 lbs.	10,404
Angus	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality meat. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of a crop by using Shorthorns.

BRAYWOOD DUCHESS — Out of our old Scottish Admiral Roan Duchess cow that produced a blue ribbon winner at the Iowa State Fair, a \$600 top bull at Marshalltown and a \$740 sale topper at the Central States Sale. She sells with a promising July 12th red bull calf by Royal Talisman 8th and is pasture bred to Kickapoo Bounty Chief.

The trademark of a good Shorthorn and Polled Shorthorn cow is that husky calf at her side. Shorthorn cows give more milk, consequently their calves always weigh more at weaning time . . . an important consideration for those of you selling feeder calves.

APSI VIOLET X — Has produced a good calf each year since she was two years old. Two of her daughters are in our herd and one of her calves, Apsi Bonus, sold in the 1961 State Sale for \$550. Her last year's bull calf is now in our lot and looks quite promising. Apsi Violet is mated to Apsi Approval X and will calve on October 20.

TV GOLDEN MAIDEN — She dropped a beautiful heifer calf last September 20 and then came out with a good roan bull calf less than 10½ months later on August 2nd., sired by Kickapoo Bounty Chief. She sells rebred to Kickapoo Bounty Chief whose first fifteen calves are a strong testimonial for his near 100% Calrossie pedigree.

The ten heifers cataloged here . . . lots 30 to 39 . . . are consignments from E. L. Williams, one of Iowa's long time Shorthorn breeders. Only because advancing years necessitate a reduction in herd numbers, are some of these heifers being offered. They are members of his best producing families. All of these sell open.
